Silent Auction & Raffle Donation Request

On behalf of Cancer StrongHER, I am writing today to ask for your support of our Smashing Cancer Tennis Tournament hosted by The Birch Racquet & Lawn Club on April 24 and 25, 2026. Please consider donating a silent auction item for Smashing Cancer.

This is a wonderful way to promote your business and get involved in our community. Your business will receive recognition as an important supporter of our local cancer nonprofit, Cancer StrongHER, who is the beneficiary of the Smashing Cancer Tournament. We are excited to share the news of your partnership with the DFW tennis and cancer communities through social media communications and event signage.

Cancer StrongHER provides free fitness classes to female survivors of all cancers, including favorites like tennis,

Pickleball, yoga, fitness boxing, Pilates, bungee, barre, dance, retreats and more. By promoting an active lifestyle, Cancer StrongHER helps survivors regain their strength, improve their health, and reduce cancer recurrence rates. They encourage survivors to try new activities that are not only appropriate and safe for survivors, but also fun, inclusive and provide a sense of community and camaraderie. To learn more about Cancer StrongHER, please visit www.cancerstrongher.com.

You can help us SMASH CANCER right here in our own community. Get involved today. Please email info@smashingcancer.org with any questions.

Stay StrongHER,
Heidi Slansky
Founder & CEO of Cancer StrongHER/Cancer Survivor
